

Tin Woof! Inn: Client Boarding Information

Before Arriving:

- ❧ **Vaccinations:** Please bring a copy of your pet's current vaccinations. For your pet's safety and the safety of Tin Woof Inn personnel, we require that your pet be current with rabies and DHLPP. We also require that your pet be vaccinated for Bordetella. These vaccinations protect your pet's health, the health of other pets in the facility and frankly our reputation as a quality pet care provider.
- ❧ **Food:** Our experience shows that your pet will be more comfortable if kept on the same food given at home. Sometimes dogs can lose their appetite or experience digestive upset, including flatulence, when their food is switched. A lot of dogs with flatulence in a boarding facility is not a good thing. We feed pets once or twice a day depending on your wishes. **We highly recommend feeding your pet his normal foodbe sure to bring enough for the whole stay!**
- ❧ **Feeding:** We feed in the morning or evening or both. Most veterinarians recommend twice a day feeding unless a pet has a particular digestive problem. We don't recommend free feeding...leaving the food out all day. In a boarding environment this just invites extra guests to dinner (insects).
- ❧ **Emergency number:** To our knowledge there is no 911 for pets. Please bring a number with you where you can be reached during your out of town stay. If your pet experiences an emergency, or just gets lonely and asks us to call, we may need to contact you to authorize treatment.
- ❧ **Admit form:** We have a Boarding form that you may want to fill out in advance to speed the check in of your pet(s).
- ❧ **Drop off:** Please make arrangements to drop off your pet during normal business hours unless you have made prior arrangements with us. Allow 10-15 minutes for the drop off to make sure we complete the information needed to insure your pet has a wonderful and comfortable stay with us.
- ❧ **Pick-up and delivery:** We can make arrangements to pick-up or deliver your pet for a reasonable fee provided you live on this side of the planet and *we know your dog*. Normally we only pick-up or deliver a dog that has been to our facility before and we know the dog's temperament. There is nothing more frustrating than trying to get a dog out of a crate who doesn't want to come out of a crate.
- ❧ **Fees:** Our normal fees include food (yours or ours), twice a day feedings, twice a day exercise/play periods; twice a day meds (no injections though) and free tender loving care. Other special services (cigars, chocolates on the pillow, morning paper, etc.) can be arranged depending on your pet's needs.

During Your Pet's Stay:

- ❧ **Toys:** Feel free to send along a couple of toys for your pet to chew on during his stay, but please don't empty the toy box.
- ❧ **Bedding:** We provide a soft, comfortable, sanitary bed for your pet. We DO NOT recommend that you send along the pet's bed. Many dogs like to chew up their bedding in a boarding environment, and it is very likely that the bed will get severely soiled, damaged or destroyed during your pet's stay.
- ❧ **Daily Routine:** We will let your pet out in the exercise area for playtimes before the morning feeding and again in the afternoon before the PM feeding. Actual playtimes can vary based on your dog, his activity level, the weather, temperature etc. Normally your pet will be able to go outside while in his boarding enclosure unless the weather is extremely hot, cold or wet.

Pick-Up:

- ❧ **Hours:** Please pick up your pet during normal hours unless prior arrangements have been made.
- ❧ **Appointments:** We recognize that travel schedules don't always coincide with our normal hours. When possible we will try to coordinate a mutually agreeable alternative time for you to pick up your pet. **It is very critical that you arrive at our facility at the agreed time.** If you are late it is highly unlikely you will be

able to get your pet. We will have to make special arrangements to accommodate an appointment and we too have other commitments. Cell phones are a wonderful invention so we encourage you to call if you will be late or need to make other arrangements.

Check out time: Just like a Marriot hotel, we normally charge for the number of evenings a pet stays in our facility, provided they are pick-up by the checkout time the next day. Boarding pets picked up after 9:00 am on weekdays and after 9:00 am on weekends and before the evening feeding, will be charged the daycare rate for the day of pick-up. Boarding pets picked up after the evening feeding will be charged the full boarding rate for staying the day.

Our Hours		
Mon-Fri	7:00 - 10:00 AM	3:00 - 6:30 PM
Saturday	7:00 - 10:00 AM	3:00 - 6:00 PM
